The effect that this reduction will afficient miney by the time it MANHATTAN INTENDS

ECONOMI

Calumet possesses the farthest-reaching baking powder economy. It is

the most economical leavening agent. It saves

in more ways-and makes more important sav-

You save when you buy it. The price is

moderate—it leaves you money over the cost of high-priced brands for purchase of other articles. Costs but little more than cheap powders—far more valuable in quality.

You save when you use it. Possesses

more than the ordinary raising force—you use only half as much as is ordinarily required.

You save materials it is used with. Calumet

never fails with any kind of receipe or with any kind of flour — always produces perfectly raised, de-

You'll notice a great difference when you use Calumet.

Calumet produces light, sweet, wholesome, flaky bak-

ings. You will notice with some of the cheaper

brands the bakings are soggy, heavy, dark in color,

Used by leading chefs and domes-

tic scientists, and

by more housewives than any other brand. Made

in the world's

largest and finest

baking powder

Best by test. A

trial proves it.

ings than most other baking powders.

THE

time will be nothing more than an been exhibited in the past excuse for a second and third evasion on the part of the willy Hun, when subsequent payments become due. Where is all of this vaunted prosperity that has been going the unds of late of the new Germany? What about the new "emperor" of finance, Hugo Stinnes, and the mar velous accomplishments he is undertaking to the fatherland for its eco somic regueration." Evidently the and over the present figure of five publicity ment of the new state are it is a control of the condity seen in the miling to go to benfiguriers with a whose lattende possible for hele morres before giving them to Lima Peru, Dec. 16.—The Perunumber so long neglected, is bound to From 7a comparison of Meri

The rejavenation of Monacifus must be credited to the or our pass of the Whee Carto us empany. It has proved the they employ to inthe him present Fravors of the continuity of the e thout by the White Caps compony has tostiffed new faith in a most properts of Manhatum at heart. As reparing plans for campaigns of derelopment and it some to be a foresone conclusion that with'n the ner 90 days there will be a hum of activ ty throughout the district that ans been witnessed during the past bult dozen years.

The residents of Manhattan never ay die. When adversity menaced there they kept plugging along it their own quiet way, and development of mines through the tribute system saved the day. As a result r steady production was maintained. somewhat curtailed, but mineral finds of more than passing notice were made from time to time. The result has been that Manhattan still remains on the map in glowing colors, and with the revival in mining continuing to gain momentum, the gold camp will proceed to give a better account of itself than heretofore, and prosperity will become rampant throughout the district in due ourse of events.

Tonopah people have only the most

should be forthcoming. They are at kindly feelings towards Manhattan least considerate enough to leave the Many are interested in various commethod of decision up to the com- panies and properties, and most of mission of the allied powers and the bem are like the Manhattanite who of sufficient force to make them ap brighter days are ahead, and that reprecince the seriousness of the situat ward will in due time be forthcoming that Any apparest Jentency at this for the faith and persistency that has
